Education

Federal University of Technology, Akure

B-Tech, Computer Science. GPA [4.06/5.00]

2024-till present

Relevant Coursework: Data Structures and Algorithms, Object-Oriented Programming

Federal University of Technology, Akure

University Advanced Basic Science (UABS)

2023-2024

JUPEB (16/16 points)

Christower International School

Ibafo, Ogun State

WASSCE (5-A's, 4-B's)

2012-2018

Technical Skills & Projects

Programming: Python, JavaScript, HTML and CSS.

Tools and Technologies: GitHub, Visual Studio Code, Canva, Microsoft Word

Rental Service Platform (Personal):

Designed and developed a responsive website for a rental service "VICOLAYS VENTURES" using a combination of HTML, CSS and JavaScript, that should allow users to enquire about rental items without having to establish physical contact with rental company.

Letterheads and Logo designs:

Created simple designs for schools, churches and firms using Canva's wide arrays of tools that allowed my clients publish official authentic documents.

Proposal Writing and Capability Statement designs:

Crafted over 20 winning proposals and designing capability statement designs for firms and individuals seeking government contracts, both home and abroad and selling my services on Fiverr, a freelancing platform.

Certifications

- **West African Secondary School Certificate Examination (WASSCE)**
- **Joint Universities Preliminary Examinations Board (JUPEB)**
- **Udemy – Online Courses:** The Web Developer Bootcamp

Experience

FEDERAL UNIVERSITY OF TECHNOLOGY, AKURE

Teaching Fellow, Mathematics and Computer Science

2023-till present

Taught mates and seniors a few relevant coursework, most of whom had positive feedback after result publishing.

Leadership & Activities

NATIONAL ASSOCIATION OF COMPUTER SCIENCE STUDENTS (NACOSS) – FUTA CHAPTER

Assistant General Secretary

2024 - 2025

- Developed events (e.g., NACOSS TECH CONFLUENCE) alongside my fellow executives to promote growth in the IT spaces.
- Contributed to initiatives (e.g., NACOSS Hangout) that improved student welfarism and communication within and the department.
